1. I hereby confirm that I have read and understood the “Return to Judo Post COVID19 Guidelines” issued by Judo Manitoba’s Return to Play Committee, henceforth the “**RTP Guidelines**”. I also confirm that any other instructors and dojo assistants in my club have reviewed and understood the RTP Guidelines.
2. I confirm that my club \_\_\_\_\_ has the necessary equipment to comply with the RTP Guidelines, including but not limited to: a supply of masks for greeters, sufficient cleaning supplies and medical-grade thermometers.
3. I understand that re-opening of my club can only take place upon receiving written approval from Judo Manitoba. Furthermore, I understand that any move to a different phase (per the RTP Guidelines) can only be actioned after receiving written approval from Judo Manitoba.
4. On-site inspections: I understand that **compliance** with the RTP Guidelines can be validated at any time, by members of Judo Manitoba’s Return-to-Play Committee or by individuals duly delegated by Judo Manitoba’s Board of Directors. Non-compliance with any of the RTP Guidelines may result in closure of the club, until approval is granted again by Judo Manitoba in writing. I also understand that Judo Manitoba will not be responsible for any liabilities or financial penalties assessed by authorities due specifically to non-compliance with COVID19 Provincial and/or Official Health guidelines.
5. If a COVID19 case is confirmed at my club, I agree to follow an **emergency action plan** (EAP) as outlined in the RTP Guidelines and Judo Canada guidelines before resuming club activities. This will include providing the required documentation (attendance lists) as requested by public health authorities. Judo Manitoba should be notified of the confirmation of a case before resuming club classes (note: personal health information, including the name of the individual infected should not be revealed).

I agree to points 1 to 5 above, and agree to comply with all the obligations and procedures contained in the RTP Guidelines.
